

The Concord

The L-shaped open stairway leads you upstairs to the balcony and the four bedrooms. There, you can retreat to the master suite and enjoy the bedroom with its vaulted ceiling and arched top window or relax in the separate sitting area which opens into the sumptuous master bath. The kitchen boasts a center island with rounded eat-in area and desk unit. It is open to the dinette and family room which stretch across the length of the home. The large laundry room features an entire wall of cabinets and countertop to help make daily life easier. The home is complete with an unfinished full basement and a three car garage.
