COMMITTED TO BUILDING 100% ENERGY STAR HOMES

THE WILLOW - NELSON BUILDERS

The welcoming front porch, with its craftsman detailed columns, invites you into this open and airy home. The kitchen, dinette, great room, dining room, and foyer are all open to create an uninterrupted view through the home. The center of the home is the gourmet kitchen which includes a walk-in pantry. The kitchen is highlighted by the large central island with its' sweeping granite countertop. The sumptuous master suite features a tray ceiling, large closet, and master bath with a freestanding tub, walk-in ceramic shower, and separate his and her vanities. The home is complete with a full unfinished basement and a three car garage.

The Willow, like all homes built by Nelson Builders, is designed to earn both the ENERGY STAR certification for new home energy efficiency and the EPA Indoor airPLUS certification for air quality, bringing cost savings and comfort to you, the homeowner.
